### REGIONAL WEATHER FORECAST for VISPRSD

Issued At: 05:00 PM, 26 August, 2026

Valid Beginning: 05:00 PM today until 05:00 PM Tomorrow.

**Weather:** Palawan including Kalayaan Islands, Occidental Mindoro, Antique, Iloilo, Guimaras, and Negros Occidental will have cloudy skies with scattered rainshowers and thunderstorms due to Southwest Monsoon.

The rest of Visayas will have partly cloudy to cloudy skies with isolated rainshowers or thunderstorms due to Southwest Monsoon/Localized Thunderstorms.

Palawan including Kalayaan Island, Occidental Mindoro and Western Visayas will experience moderate to strong winds from the Southwest with moderate to rough seas.

The rest of Visayas will experience light to moderate winds from the South to Southwest with slight to moderate seas.

| Provinces         | 05:00 PM (Today) - 05:00 AM (Tomorrow)                                                                                                                                      |                                                                                                  | 05:00 AM - 05:00 PM (Tomorrow)                                                                                                                                              |                                                                                                    |
